

Sam

Sarah is a 16 year old who prefers to go by Sam. Sam may be quiet and shy at first, but don't let that fool you! Sam will quickly warm up and enjoys being around people who care for her. She enjoys being active, whether it be playing basketball, tennis, or creating new games with her friends! Sam also enjoys reading, watching television, and eating baked goods!

Sam's team is looking for a skilled two-parent family that will provide her with the consistency, stability, and love she deserves. Her team is accepting inquires from families who reside in North Dakota and will continue to support Sam's important connections that will need to be maintained. Sam would thrive as an only child and with a family who is clear and consistent with boundaries.
